It's good business.**

What is HubScout.com?

HubScout.com is the premiere website offering scouting groups a shared place for photos, calendars, documents, and event invitations.

We offer the site for free to scouting groups with help from advertising sponsors like you.

Why Should I be an Advertising Sponsor?

Most importantly, you are supporting your community, but consider the business advantages of HubScout.com compared to a local newspaper ad:

	<u>HubScout.com</u>	<u>Local Newspaper</u>
Emotional connection:	Appreciation for your support.	No connection. Just an ad.
Targeted Audience:	Reach families within a 1-2 mile radius of your business.	Incur costs to reach a larger population which many are farther than 3-5 miles from your business
Reporting:	Online reporting of exact impressions per month.	Only provide circulation numbers. There is no way to determine how many people actually looked at your ad.
Duration:	Continual exposure over 6 – 12 months	1 time ad
Cost:	Packages range: \$90 - \$200	\$400 - \$750
